

Name _____

The Door to Worlds Unseen

Short Answer Key

1. The first world is a realm of nature and tranquility, filled with emerald green landscapes, whispering trees, and flowing rivers.
2. The third world is associated with the theme of emotions and feelings, where waves of joy and sorrow exist.
3. The attic door symbolizes the opportunity for adventure and discovery, leading to different symbolic worlds.
4. The fourth world symbolizes infinite possibilities and ambitions, while the others have specific themes like nature, knowledge, and emotions.
5. The attic door invites those who find it to explore unique and rare worlds, each with its own symbolic meaning.
