

Name _____

The Door to Worlds Unseen

Open-Ended Response Answer Key

1. (Possible answers may vary, but they should provide a reason for their choice, such as personal interests or feelings.)
2. The poem suggests that both knowledge (the second world) and emotions (the third world) are essential aspects of the human experience and can be explored through the attic door.
3. (Possible answers may include the idea that the attic door symbolizes opportunities for exploration, learning, and personal growth.)
4. (Possible answers may include interpretations of how each world symbolizes different phases or aspects of life, such as childhood, learning, emotional growth, and creativity.)
