

Name _____

The Time-Traveling Yearbook

Open-Ended Response Answer Key

1. Possible Answer: One funny moment they witnessed was when Emily got caught in a tangled mess of streamers while decorating for the school dance. She looked like a colorful octopus!
2. Possible Answer: The yearbook brought them closer together and allowed them to relive their funniest middle school moments. It created a bond and provided endless laughter.
3. Possible Answer: The yearbook club likely saw the responsible and fun-loving nature of Lena and her friends and believed they would continue to use the yearbook in the spirit it was intended, preserving the joy of middle school.
4. Possible Answer: The Time-Traveling Yearbook symbolized the importance of cherishing and preserving the fun and laughter of middle school. It represented the idea that even as students grow up, they should always find time for joy, memories, and a little magic.
