

Name _____

City of Hustlers: The Rise of Young Legends

Short Answer Key

1. Malik is the lyricist, Jaz is the beatmaker, Darnell is the promoter, and Lisa is the visual artist who designs their album covers. Each member contributes their unique talents to the crew's journey.
2. The crew faces challenges such as rival crews, run-ins with the law, and the temptation to give in to the lure of fast money and easy success.
3. The crew is motivated by their passion for music and the promise they made to each other to make it big in the hip-hop world. They are driven by their ambition and determination to succeed.
4. The opportunity to perform at a major music festival is significant because it is their shot at stardom and a chance to share their music with the world.
5. The story illustrates the power of friendship and ambition in providing support, motivation, and a sense of purpose on the journey to achieving dreams.
