Young Voices Rising: A Sonnet of Change

In a world where voices often go unheard,

Young hearts stand up, their passions undisturbed.

They march for justice, shout for what is right,

With courage strong, they face the darkest night.

Their voices like a beacon in the dark,

Igniting hope, inspiring many hearts.

In unity, they rise to make a change,

Their dreams of justice wide and far arrange.

They fight for equality and peace,

Their youthful energy shall never cease.

With determination, they take the lead,

For in their voices, change is what we need.

So let us celebrate their vibrant call,

Young voices rising, making change for all.
