Young Voices Rising: A Sonnet of Change

Open-Ended Response Answer Key

1. Answers will vary, but students may mention young activists like Greta Thunberg, who has been vocal about climate change and inspired global movements.
2. "Their voices like a beacon in the dark" means that their voices shine brightly and serve as a guiding light, offering hope and direction to others who seek positive change.
3. The poem emphasizes celebrating young voices and their activism to recognize their important contributions to society and encourage more young people to take a stand for what they believe in.
4. The poem suggests that change is what we need because it highlights the need for positive transformations and improvements in society, particularly in areas of justice and equality. Young voices are seen as catalysts for this change.
