## Youth Power: Shaping a Brighter Future

### Open-Ended Response Answer Key

1. Amina and her friends raised funds and built a well despite the challenges they faced.
2. Technology allows them to access resources, connect with others worldwide, and amplify their impact.
3. Passion and idealism give young people a strong sense of justice and a desire to make the world better, motivating them to take action.
4. Creativity and innovation help youth find new and more effective solutions to complex problems, making their efforts more impactful.
