

Name _____

Authoritarianism: Concentrated Power and Control

Open-Ended Response Questions

1. Reflect on the idea of limited political and civil liberties in authoritarian regimes. How might this impact the well-being and happiness of citizens, and what measures can be taken to address this issue?
2. Consider the role of authoritarian leaders in making decisions. How might the lack of diverse perspectives and open debate influence the policies and governance of an authoritarian regime?
3. In your opinion, can an authoritarian regime strike a balance between efficiency and accountability in decision-making? Discuss potential measures that could achieve such a balance.
4. Explore the relationship between suppression of dissent and unity in authoritarian regimes. How might these tactics impact social cohesion, and what are the potential long-term consequences?
