Name _____

The Enchanted Board Game

Short Answer

1. How did the friends react when they realized they were trapped inside the enchanted board game?

2. Describe some of the challenges the friends encountered while inside the enchanted labyrinth.

3. What skills or qualities did the friends need to complete the challenges and escape from the board game?

4. How did the friends eventually find the solution to escape from the enchanted board game?

5. What do you think might have happened if the friends hadn't chosen to play the enchanted board game on that rainy afternoon?
