## The Enchanted Board Game

### Short Answer Key

1. The friends were terrified and shocked when they realized they were trapped inside the enchanted board game.
2. The challenges included solving riddles, battling dragons, finding keys, and facing various enchanted creatures.
3. The friends needed courage, intelligence, creativity, and teamwork to complete the challenges and escape.
4. The friends eventually found the solution by working together and using their problem-solving skills to finish the game's challenges.
5. If the friends hadn't chosen to play the enchanted board game, they would have never experienced the adventure and challenges of the enchanted labyrinth.
