

Name _____

The Extraordinary Adventures of Zara Zephyr

Short Answer Key

1. The trees in the forest had leaves that glowed with a soft, ethereal light.
2. The story does not provide specific details on how they returned to their own world.
3. Zara and Squeaky faced challenges such as navigating treacherous streams on dandelion boats and dealing with wildlife now towering over them like giants.
4. The world where time flowed backward presented challenges such as objects moving in reverse, making it difficult for Zara and Squeaky to predict outcomes.
5. Zara learned that the true magic lay in embracing the unknown and finding wonder in the everyday.
