

Name _____

Zombie Prom Date

Short Answer Questions Answers

1. Mark was a zombie with pale skin, some missing flesh, and a tendency to lose body parts. His unique challenge was attending the prom without causing a panic.
2. Sarah helped Mark by creating a lifelike silicone mask to conceal his zombie appearance. During the event, she rushed to Mark's side and explained the situation when panic ensued.
3. The students initially screamed in fear when Mark knocked over the punch bowl. However, the situation eventually turned into laughter when they realized Mark was just trying to have a normal high school experience.
4. Mark's true appearance became a source of laughter and acceptance among the students because they recognized that he was just like them, trying to fit in and enjoy the prom. His authenticity and vulnerability endeared him to the crowd.
5. "The Zombie Prom Date" illustrates the theme of acceptance and being true to oneself. Mark's willingness to attend the prom as himself challenged stereotypes and led to a positive outcome where he was celebrated for his uniqueness.
