## The Day Animals Learned to Dance

### Open Ended Questions Answers

1. Answers may vary. Possible response: Sammy Squirrel might have decided to try dancing because he wanted to have more fun and do something different. He felt like hopping around wasn't enough excitement for him.
2. Answers may vary. Possible response: Grumpy Bear might have stomped his big bear paws, and Freddy Frog might have leaped high into the air during the dance party.
3. Answers may vary. Possible response: The animals probably felt happy and full of energy when they discovered the joy of dancing together. They laughed, moved to the music, and had a great time with their friends.
4. Answers may vary. Possible response: If I were an animal in the forest, I would like to learn a dance move that involves spinning around because it looks like a lot of fun and makes me feel dizzy in a good way.
