

Name _____

Dinoville

Short Answer Questions Answers

1. The urgent problem at the Dinoville Museum was the disappearance of their prized T-Rex skeleton.
2. Ellie figured out who had taken the T-Rex skeleton when she talked to her dino friend, Dizzy, who confessed to borrowing it for a late-night dance party.
3. When Ellie found Dizzy and the T-Rex skeleton in the hidden room, she scolded Dizzy for taking it without permission and reminded him that honesty was the best policy.
4. The townsfolk found the situation funny because Dizzy and the T-Rex were dancing together, which was unexpected and comical. Humor played a role in lightening the mood.
