

Name _____

The Quest for the Golden Key

Open Ended Questions Answers

1. Answers may vary. Some students might think Timmy became more adventurous, while others may believe he became wiser and more appreciative of the world around him.
2. Timmy considered the magical book the greatest treasure because it contained stories from all over the world, which allowed him to gain knowledge and wisdom.
3. Timmy learned the importance of courage, perseverance, and the value of knowledge. He also discovered that the journey itself can be more valuable than the destination.
4. Answers may vary, but students might describe their ideal adventure and why they find it exciting or meaningful.
