

Name _____

My Principal Turned into a Chicken

Open Ended Questions Answers

1. Humor and absurdity play a central role in the story by highlighting the unexpected and unconventional. The transformation of Principal Jenkins into a chicken and the reactions of the students and teachers create humor, emphasizing that even authority figures can have moments of absurdity.
2. Principal Jenkins' transformation reveals the vulnerability and humanity of authority figures. It shows that even the strictest individuals can have moments of unexpected behavior, and it challenges the notion of infallibility. His return to a human form emphasizes the importance of embracing humor and humility.
3. The Chicken Club represents unity and solidarity among the students. It adds to the humor of the story by showcasing their support for Principal Jenkins in an amusing and lighthearted way. The club's formation underscores the idea that humor can bring people together.
4. Social media and news amplify the absurdity of the situation by spreading the news rapidly and creating viral trends. They showcase how modern communication tools can turn a peculiar event into a widely discussed and shared phenomenon, adding to the story's humor and chaos.
