

Name _____

Mad Scientist Mayhem

Open Ended Questions

1. Why do you think Professor Hubble decided to organize a mad scientist carnival for the townsfolk? What motivated him to do something so unusual?
2. Imagine you were a resident of the town. What would be your favorite attraction at Professor Hubble's carnival, and why?
3. How did the townsfolk's attitude toward Professor Hubble change throughout the story, from their initial surprise to the end of the carnival? How did their perception of him evolve?
4. Why do you think the townsfolk helped Professor Hubble fix the malfunctioning invention instead of getting upset with him? What does this show about their relationship with him?
