

Name _____

The Magical Mischief

Open Ended Questions

1. Why do you think Spark enjoyed causing magical mischief in the village of Willowbrook? What motivated him to do it?
2. How do you think the villagers' perception of Spark changed throughout the story, from the beginning when he caused mischief to the end when he fixed it? How did their reactions to his actions evolve?
3. Can you share a time when laughter and fun made a challenging situation better, just like in the story? How did it affect you and those around you?
4. Why do you think Spark decided to undo the magical mischief he had caused, even though it brought laughter and joy to the villagers? What does this reveal about his character?
