## The Amazing Animal Rescue Squad

### Short Answer Questions Answers

1. The squad received an urgent animal rescue mission from Farmer Johnson to rescue his cow, Daisy, who was stuck in a tree.
2. Max helped in rescuing Daisy by climbing up the tree and coaxing her to come down.
3. Sarah played the role of a veterinarian-in-training and was ready to check on Daisy's health once she was safely on the ground.
4. Jake was an important member of the squad because he was the tech whiz who could build gadgets to aid in their rescue missions.
5. After successfully completing the unusual rescue mission, the squad felt proud and happy, knowing that they could handle any animal emergency.
