## Zog the Alien

### Open Ended Questions Answers

1. Tommy and Zog became friends when Tommy discovered Zog's spaceship in the neighbor's yard. They had fun together by going to the park, trying out playground equipment, going to the ice cream parlor, and playing with Tommy's friends.
2. Zog had green skin, three eyes, and a big smile. He made funny faces on the merry-go-round because his three eyes got mixed up as he spun around.
3. Zog didn't like broccoli ice cream, and he made a funny face after trying it. He probably chose that flavor out of curiosity because it sounded strange and interesting.
4. Zog gave Tommy a small gadget that made silly noises. It was meaningful to Tommy because it was a token of their friendship and a reminder of the fun adventures they had together.
